

SAMPLE EMAIL FOR MISSION SUPPORT

Dear _____,

As you may know, I have the wonderful privilege of going on a short-term missions trip in [month] to [country]. I can't tell you how excited I am and I thank the Lord for this wonderful privilege.

I am emailing you today to not only ask for your prayer support for this mission, but to ask you to prayerfully consider helping us take some wonderful evangelistic materials with us.

We will be [insert mission work description i.e. painting and repairing the church and pastor's home], but everywhere we go, we will be interacting with local people and we really feel we need to put something into their hands to share the Gospel with them.

We have the perfect booklet to take with us and we just need a little help in providing them. It is the same booklet that Operation Christmas Child (Samaritan's Purse) has been using for 14 years in their shoebox program. It is a beautiful, full color booklet that clearly presents the Gospel and ends with an invitation to accept Christ.

It is available in [insert language spoken where you are going], and is so affordable. If we buy in box quantities (250 copies) it only costs .56 cents each. We want to take as many boxes as our luggage will allow.

Would you please help us with this? Even if it is only \$25 or \$50 dollars. That will allow us to share the Gospel with 40-100 or so families. Can you believe that?

Thank you so much for whatever you can do. You can send the gift funds addressed to me at:

When I have heard from everyone I will place the order to get as many booklets for our team as possible. *(The more you order the less they cost which is why I will wait to try to order all of them at the same time so that we can get as many as possible for our team.)*

I promise to take some pictures and tell you all about it when I am back. Thank you so much for joining hands with me so that together we can share the love of Jesus with the people of [town or country you are going to]

Thank you and God bless you,
